Formula for Job Creation
Talking Points

Forbes: top five states for jobs are Texas, Nevada, Arizona, New Mexico and North Dakota.

Lower corporate tax rate from 8.83% to at least half. (Some top jobs states have zero)

Eliminate capital gains taxes to stimulate investment.

Eliminate annual \$800.00 Minimum Franchise Tax

Root out/eliminate job-killing regulations.

- Onerous environmental provisions of AB32
- Double taxation when businesses buy equipment used for their operations

Lower sales tax of 7.25% to match top five states. (At least to 4.0%)

Restructure progressive personal income tax brackets from six to two. Rates from top being 10.33% to 7.5% for earners above \$56,000.00. Encourage spending and investment. (Texas and Nevada have no income tax)

Broaden the tax base so that all filers contribute.

- Population of 37 million. 15 million filers. 6 million or 40% of the 15 million tax filers don't pay

Remove the progressive tax on gasoline.
